รายละเอียด

Are you excited to be a part of the Thai software development team that are serving a million of users every day? Metamedia Technology is looking for new members! We are looking for enthusiastic, hard-working, and self-motivated new members to join our expanding team.

The following positions are available.

User Experiences and User Interface (UX/UI) Designer (1 position)

Tasks: Join our core design team. Develop the best design for our products and services, show your work to millions of users.

- Bachelor's degree
- Strong passion, creativity, and skills in UI/UX design
- Experiences in user-interface design for web, and mobile applications
- Experiences in graphic design
- Skills in programming is a plus
- Online portfolio of work (web design, graphics design, icons, logos)
- Salary: **30,000++ Baht**

Junior Programmer / Developer (2 positions)

Tasks: Join our core software development team. Programmers here are always full-stack++. We do not separate front/back-end, mobile apps dev, whatever. All in one team and you will learn all.

- Bachelor's degree in Engineering, Computer Science, or related fields
- Strong passion, creativity, and skills in programming
- **High** technical competence or **good** academic record
- Able to program in **PHP, JavaScript, C#, Swift, Python, Kotlin** or **Java**
- Experiences in **Vue.js, Symfony, Drupal, iOS** or **Android** programming is a plus
- Good English reading skill
- Salary: **30,000++ Baht**

Sales / Marketing Representative (1 position)

Tasks: Join our Loga.app sales team. Develop customers to meet the sales target and conduct necessary marketing activities to support sales. The team is small, so you will get best chances to do a lot of things to broaden your experiences.

- Bachelor's degree
- Strong passion, creativity, and skills in sales
- Excellent personality and communication skills
- Able to travel throughout sales territory
- Good command of spoken and written English
- Salary: **24,000++ Baht**, depending on your sales performance

Solution Support Engineer (1 position)

Tasks: Join our customer support team. Implement the solution, support the deployment process, and provide maintenance to make sure our customers are making the best uses of our products.

- Bachelor's degree in Engineering, Computer Science, or related fields
- Strong passion, creativity, and skills in servicing technical IT solutions
- **High** technical competence or **good** academic record
- Good understanding of retail businesses
- Skills in programming is a plus
- Good English reading skill
- Salary: **30,000++ Baht**

Sales Engineer (1 position)

Tasks: Join our Longdo Map sales team. Develop customers to meet the sales target and conduct necessary marketing activities to support sales. Empower our customers with our best Map/GIS tools developed locally by this Thai company!

- Bachelor's degree in Engineering, Computer Science, or related fields
- Strong passion, creativity, and skills in maps and sales.
- **High** technical competence or **good** academic record
- Excellent personality and communication skills
- Knowledge in Programming, Web mapping, or GIS
- Good English reading skill
- Salary: **24,000++ Baht**, depending on your sales performance

We offer a benefits package which includes **health insurance**, **bonus**, **15-day annual leave**, **budget for training or other self-improving activities** and **stock option plans**.

If you are interested in one of the above positions, please send 1) your **resume**, and 2) a scanned copy of your **academic transcript** to career@mm.co.th. We are looking forward to hearing from you!
